“HOW TO GET TO AUCTION--THE RIGHT WAY” AN EDUCATIONAL SEMINAR FOR ALL JUNIOR LIVESTOCK EXHIBITORS

YREKA – On March 29th Siskiyou Golden Fair junior livestock exhibitors have the opportunity to gain needed knowledge and information about getting market animals to the annual junior livestock auction using industry approved practices.

The Siskiyou Golden Fair will present “How to Get to Auction--the Right Way”. This program will include a presentation from award winning livestock judge and Sunglo Feed representative Frank Ward and new information for the 2018 fair. This seminar will count as quality assurance training for all junior livestock exhibitors that attend. The information presented will be beneficial for parents and leaders as well as the junior exhibitors.

“We are very excited to bring this program to our junior livestock exhibitors again this year,” said fair CEO Cliff Munson. “There is so much to learn about the proper way to raise and care for project animals and we want to help the junior exhibitors as much as possible.” The program is scheduled for Thursday, March 29th, starting at 6:00 pm in Winema Hall at the fairground.

Junior livestock exhibitors who are taking animals to the 2018 fair will need to take quality assurance training if they have not taken it before. Exhibitors ages 9-11 must take the training every year and those ages 12 and above must take it every third year. If you are not sure if you need the training in 2018 please call the fair office at 842-2767 to double check. All new junior livestock exhibitors must take the training this year.

The 2018 Siskiyou Golden Fair “THE HEART OF SISKIYOU” will run August 8-12 in Yreka. For more information call the fair office at 530-842-2767, or e-mail at info@sisqfair.com.
